Continuation of Substance of Interview including description of the general nature of what was discussed: It was agreed that claim 34 as it has been amended in the response create 101 issue. It was agreed further that independent claim 34 be amended by Examiner's amendment to resolve 101 issue; and independent claims be clarified with respect to the operation of transformation of request and data and their link to simultaneous client authentication. the proposed examiner amendments were e-mailed between examiner and Applicant's representative above and based on Applicant's approval given in the reply e-mail the claims are amended (please see examiner's amendment in the enclosed office action for the exact agreed amended phrase). It was agreed that based on the examiner's amendment and in the light of Applicant filing of the Terminal Disclaimer, the claims are allowed. It was further agreed that examiner would provide his interpretation of transformation and the reasons based on which the claims have been allowed, limiting the allowed claims to examiner's reasons for allowance in the office action..
